Parker's Dye Works

Established over 30 years

Quality Dyeing and Cleaning

The award of merit in dyeing and cleaning has come to these works as the outcome of more than thirty years careful and skillful work.

It is one thing to simply sponge out the spots. It is quite another to thoroughly refreshen and liven up the fabric so that it closely approximates that which is new. The latter is our way in all work we do.

Ladies' costumes and evening dresses are cleaned by modern methods.

Cleaning fine laces, such as Duchesse, Old Point, Guipure and Brussels, is one of our perfected specialties.

By cleaning and dyeing lace curtains, drapes and furniture coverings we save the housekeeper much trouble and worry.

The proper and hygienic way to clean blankets is known to us.

Equal care is given to men's clothing. We keep men well dressed the year round, returning their coats and suits looking as if new.

PREFACE

THE Seventh edition of the BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the BLUE BOOK as nearly perfect as it is possible to make such a volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about four thousand names of the most prominent householders of Toronto, Hamilton and London, and numerous smaller towns, published in the most convenient form for reference by our lady patrons.

The title "BLUE BOOK" is given the work because of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book—a book containing a list of fashionable addresses."

The data for this work have not been compiled from circulars or from other directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names.

Please send any information you may have that will aid in keeping the records correct to Dau Publishing Co, 22 Toronto Street, Toronto, Ont.

The Hiscott Dermatological Institute

The first establishment of its kind in Canada and one of the most thorough anywhere. We treat for all blemishes, affections and disfigurements of the complexion, hair and scalp. We make a specialty of, and are wonderfully successful in curing all non-contagious skin troubles such as Acne, Eczema, Psoriasis, etc. We remove **Superfluous Hair, Moles, Warts, Birthmarks and Ruptured Veins** by our own method of Electrolysis which long experience has demonstrated to be the best. Scars, Deep Wrinkles, Smallpox pittings, etc., removed by Plastic Surgery.

Our Princess Toilet Preparations are unequalled for purity, daintiness and efficacy. A trial will convince you. We manufacture **Skin Food, Complexion Purifier, White Rose Cream, Acne and Pimple Cure, Cinderella Cream, Hair Rejuvenator** and a host of other nice preparations.

Treatments and preparations are fully described in our brochure, "A Study of Your Face and Figure" which will be sent on request.

LET US CLEAN SOME SOILED GARMENT OF VALUE

.. WE'LL MAKE IT LIKE NEW..

The most careful firm employing the most expert help is the only safe place to send your dainty evening Gowns, Opera Cloaks, Gloves, Laces, Feathers, Curtains, Etc.

DELICATE AND DAINTY garments must be handled carefully in the cleaning.

It's the rubbing not the wearing that shortens the life of most fabrics and the more delicate the material—the greater the harm that rubbing does.

We have had years of experience in the cleaning of fine garments and household articles.

**LET US RESTORE SOME SMALL ARTICLE AS A
CONVINCING TEST,**

We have prepared a small booklet which tells about our work—its scope and quality. We would be glad to send you a copy upon application.

Quality and Value

In our business vocabulary the two words which mean most are "Quality" and "Value."

This store's standard of quality insists upon the highest degree of excellence in the merchandise admitted to our assortments.

While our ideas of value, and our careful merchandising policy (as instanced in our own buying offices in Paris and London) ensure the lowest prices consistent with the quality-merit of the goods concerned—whether costly or inexpensive.

— This applies to our entire stock of general merchandise, including Apparel and Home Furnishings.
